# HABITS

TO GROW YOUR FAITH

Week 6

## Does God want my money?

This short answer is, “What God really wants is your heart!” We know that our all-powerful God has all the resources in the world at His disposal, so why would he need *my* money? While it’s true God is able to sustain His work without you, He desires to see you grow to trust that He will provide your needs when you put Him first! This often looks like supporting your local church financially so we can Multiply Hope in our community and around the world. This week we’ll look at some key passages about giving and identify how this is a Habit worth developing!

## Here’s how this tool works:

1. **READ** the daily Bible passage and write down thoughts or things from the verses that stood out to you. You can even rewrite the verse in your own words to help you process *what the writer is saying*.
2. From these verses, **ASK** yourself *what is the Holy Spirit may be saying me?* How you can apply this truth to your life in a practical way? Is there a sin to confess, a promise to claim, a command to obey or a pitfall to avoid? Write it down.
3. Now write some **PRAYER** needs. Some people like to rewrite their application as a prayer back to God. Writing out prayers can be a helpful way to communicate what is on your heart.

### EXTRA:

If a verse really impacted you, write it down and have a go at committing it to memory!
