SEEKING JESUS TOGETHER

A QUIET TIME TOOL FOR WBC

Just like with friends and family, our relationship with God grows as we spend time together. We understand more about who He is as we read the Bible. God reveals His character through statements about who He is, but also by His activity in the lives of people. As we learn more about who He is and how He acts, it will strengthen our faith and give us hope in our own circumstances.

We also discover more about who we are when we spend time reading the Bible. The Bible acts like a mirror according to James 1:23. As we apply what it says to our lives, it empowers us to continue growing in our faith.

Seeking Jesus is part of our mission statement as a church. We are also committed to being in community – doing things together. That is why we are calling this Quiet Time tool, 'Seeking Jesus Together'. With that in mind, I encourage everyone to use this tool and incorporate it into your LIFE group times as well as your general catch ups.

We have kept this tool very simple. There is a passage of Scripture to read each day and 2 questions to answer. They are the same questions every day – 1) What is the writer saying? and 2) How can I apply this to my life?

A final step asks the question 'What am I praying for today?' You can use that to turn your application into a prayer and list the things and people you are praying for. Keeping track of what you are asking God for will help you be able to thank Him when He answers!

Enjoy this tool and let us know if you are using it!
