HABITS

TO GROW YOUR FAITH

Week 2

Why should I go to Church?

After all, there are so many options available online these days--is going to an actual building at a set time still necessary? In these days of overcommitment, we may find ourselves time poor with church attendance adding just one more thing to our busy schedules. Others who have been hurt by a church in the past leaves them wondering if it's even worth the risk. Did you know God created us to have community with each other as the Body of Christ? This week's readings will help us see God's heart for His Church and our world!

Here's how this tool works:

1. **READ** the daily Bible passage and write down thoughts or things from the verses that stood out to you. You can even rewrite the verse in your own words to help you process *what the writer is saying*.
2. From these verses, **ASK** yourself *what is the Holy Spirit may be saying me?* How you can apply this truth to your life in a practical way? Is there a sin to confess, a promise to claim, a command to obey or a pitfall to avoid? Write it down.
3. Now write some **PRAYER** needs. Some people like to rewrite their application as a prayer back to God. Writing out prayers can be a helpful way to communicate what is on your heart.

EXTRA:

If a verse really impacted you, write it down and have a go at committing it to memory!
