

Week 3

## Does God really answer prayer?

Sometimes it doesn't seem like it if we're being honest! Then there's the people who think that God is already going to do what He wants so what's the point? However, the Bible has a LOT to say about the importance of cultivating the habit of prayer. Throughout both the Old and New Testament, talking to God was an integral part of their relationship with Him. We'll unpack that a bit through our Bible reading this week as we focus on the conversational aspect of our faith journey—prayer!

## Here's how this tool works:

- 1. READ the daily Bible passage and write down thoughts or things from the verses that stood out to you. You can even rewrite the verse in your own words to help you process what the writer is saying.
- 2. From these verses, ASK yourself what is the Holy Spirit may be saying me? How you can apply this truth to your life in a practical way? Is there a sin to confess, a promise to claim, a command to obey or a pitfall to avoid? Write it down.
- 3. Now write some PRAYER needs. Some people like to rewrite their application as a prayer back to God. Writing out prayers can be a helpful way to communicate what is on your heart.

## EXTRA:

If a verse really impacted you, write it down and have a go at committing it to memory!
